

## **Award to Sri Balakrishna Puttur MD, Cabinet System and Control Pvt Ltd**

M/s Cabinet System and controls Pvt Ltd owned by Sri Balakrishna Puttur (1982 Batch Alumni) and Suhas S Mahajan has been awarded second prize in “Engineering Solutions Sector” by MSME Ministry – Government of India for the year 2021. Minister for MSME, GoI handed over the prize to Sri Balakrishna Puttur during Engineering India awards 2021 event held at New Delhi during September 2021.

Cabinet System is involved in SCADA, VFD, PLC based Automation solutions for Steel and Pipe (upto 300 mm Dia LSAW, Spiral and ERW) industries across the globe.

The award was based on the details and videos of various projects submitted by M/s Cabinet System and controls Pvt Ltd to MSME. About 50,000 MSME's were part of the event and top 10 were shortlisted for presentation which was evaluated by 12 juries from various PSU's. It is a matter of pride that M/s Cabinet System and controls Pvt Ltd got second prize.

**KREC/NITK is proud of Sri Balakrishna Puttur.** Director and entire NITK Family congratulates him and team Cabinet System and Control for the achievement and wish many more such accolades to Sri Balakrishna Puttur.

Sri Balakrishna Puttur has recently contributed Rs 5 Lakhs to NITK Corpus.
